	n (5) being the most difficult:		

Each section below is worth the number of points listed. All points are to be earned and not just awarded. Items listed under headings are areas that need observation. If these areas are handled appropriately, please indicate by signifying with a (\fint) check mark. If these areas are exceptional indicate with a (\fint) plus sign and if these areas are not adequately fulfilled, please utilize a (\fint) minus sign. Comments on each official are vital and required. Please complete penalty chart for each foul that occurs and list appropriately.
